Film To Be Shown Sunday At Hebron

The story is an old one but way it is told is fresh and sharp to give it all the meaning that is really there. The film The Gospel Road does this. It will be shown Sun., Feb. 23, at Hebron Baptist Church. The showing will begin at 6:30 p.m.

The Gospel Road, distributed by World Wide Pictures, was conceived and produced by Johnny Cash and his wife, June Carter Cash, whose desire was to tell the story of Jesus Christ in a realistic and meaningful way.

The film is a unique blend of scripture - based narrative, an abundant supply of specially written songs, and a series of in depth character portrayals, with Israel itself as the mixing bowl.

Join us for this moving and inspirational film. Come expecting a blessing and the Lord will bless.

All-Weather 78

Goodyear's new All-Weather 78 is built with polyester cord that's first tempered in an exclusive Goodyear process for extra tire strength, tough wear and resistance. The wide 78-series tread is "reversed molded," a technique borrowed from race tire production, in reverse molding the contour of the tread surface is slightly concave as it comes from the mold – so that when the tire is inflated, the tread makes full, flat contact with the road. The tread is then precision cut and grooved, with plenty of traction edges to provide decisive grip. In every detail, this new All-Weather 78 gives you honest quality, at a price that's in step with the time.
